

EMBARK ON AN ADVENTURE AT SEA

Ever wanted to see what it's like to stay aboard a U.S. Navy aircraft carrier? Now's your chance. You're invited to visit and stay overnight on one of the Navy's aircraft carriers during an Embark to Sea event. Embarks offer a once-in-a-lifetime opportunity to participate in a multi-day ship experience while it conducts training operations.

WHAT TO EXPECT:

We'll fly you out to the ship where you'll get to experience landing on the ship's flight deck. While aboard, you'll view flight operations, visit the Bridge and other work centers on the ship, and eat with crewmembers and Officers. Embarks are meant to increase your understanding of carrier-based aviation to share with your community.

During your stay, you'll be provided the rare chance to experience Navy operations firsthand, have direct interactions with Sailors and see the unique and incredible capabilities of Naval aviation up close.

HIGHLIGHTS:

FLY OUT TO AN AIRCRAFT CARRIER

EXPERIENCE NAVAL AVIATION UP CLOSE

DINE WITH THE ENLISTED AND OFFICERS

WHO CAN ATTEND AN EMBARK?

You're invited to attend if you have limited knowledge of the Navy and have not participated in similar events held by other military services in the past. Participants are nominated by their local Recruiters and ultimately selected by the Commanding Officers of their recruiting command. If you're accepted, you'll play a vital role in helping Recruiters build relationships within their local communities and schools, and with students.

WHAT ARE THE COSTS?

Embarks cost a non-refundable \$75-\$80 cash payment for dinner and incidentals. Accommodations and round-trip commercial airfare are included; you'll be reimbursed post-trip. Cash-only souvenir purchases are available on-site.

LOCATIONS:

- San Diego, California
- Norfolk, Virginia
- Jacksonville, Florida
- Joint Base Pearl Harbor for Embarks from Hawaii
